PROFILE SUMMARY

IT and software engineering graduate with a Higher Diploma in Computing and Software Engineering (ICBT Kandy Campus, affiliated with Cardiff Metropolitan University), awaiting the convocation ceremony. Skilled in Java, C++, C#, ASP.NET Core, SQL/database design and web technologies, with hands-on experience across ten projects spanning software development, system analysis, networking and business analytics. Strong in server-side logic, database design and API/payment-integrated applications, and experienced in using AI tools (ChatGPT, Gemini, Copilot, Claude, DeepSeek) for research, writing and problem-solving. Seeking an IT-related role or internship (remote, hybrid or on-site; full-time, part-time or project-based) where I can apply my technical knowledge and keep growing.

OPEN TO

Roles: Software Development, Backend / Web Development, Mobile Apps, Database / SQL, UI/UX Design, System and Business Analysis, Networking / IT Support, Data Analytics, Software Testing / QA, Technical and Content Writing, AI Content and Prompt Writing, AI Training / Data Annotation, Documentation.
Work type: Remote, Hybrid, On-site | Full-time, Part-time, Internship | Freelance / Project-based, including international clients.

EDUCATION

- **Higher Diploma in Computing and Software Engineering** - ICBT Kandy Campus (Cardiff Metropolitan University), Kandy, Sri Lanka | 2025 - 2026 (Completed - Convocation Pending)
- **GCE Advanced Level - Physical Science** - Amina National School, Matale, Sri Lanka | 2023 - 2024
- **GCE Ordinary Level - Excellent Academic Performance** - St. Thomas' Girls' School, Matale, Sri Lanka | 2020 - 2022

TECHNICAL SKILLS

- **Programming Languages:** Java, C++, C#, Dart, TypeScript, HTML, CSS, JavaScript, SQL, R
- **Frameworks and Tools:** Flutter, ASP.NET Core, Razor Pages, Java Swing, Firebase, Cisco Packet Tracer, SSMS, RStudio, R Commander
- **Web and Database:** REST, JSON, PHP, MySQL, Relational Database Design (ERD, 3NF Normalization)
- **AI Tools:** ChatGPT, Gemini, Copilot, Claude, DeepSeek, Prompt Writing
- **Office Tools:** Microsoft Word, Excel, PowerPoint
- **Design and Modeling:** UML (Use Case, Class, Sequence Diagrams), DFD, ERD (Chen's Notation)

ACADEMIC AND PERSONAL PROJECTS

- **Genius Books Information System** - C++, File Handling, Structures
- **MJM Security Services - Network Design** - Cisco Packet Tracer, VLAN, VLSM, NGFW, VPN, SIEM
- **Sweet Cupcake Shop System** - Java, Java Swing, OOP, UML
- **Green Track Environmental Monitoring System** - SSMS, ERD, 3NF
- **GlobeTrek Travel Management System** - HTML, CSS, JavaScript, PHP, MySQL
- **PrintXpress - Mobile Printing App** - Java, Firebase, XML, UML
- **KMC Event Management System** - C#, ASP.NET Core, Razor Pages, UML
- **Building Cooling Load Analysis** - R, RStudio, R Commander, Regression Analysis
- **SkillBridge.lk - Freelance Service Marketplace** - PHP, MySQL, Stripe and PayHere Payment Gateways, AJAX Messaging, Multilanguage EN/SI/TA
- **Smart Med Clinic - Patient Management System** - ERD, DFD, UML, Chen's Notation

LANGUAGE SKILLS

- **Tamil:** Mother Tongue
- **English:** Listening/Reading: C2 | Writing: B2 | Speaking: A2
- **Sinhala:** Listening: C2 | Reading: B2 | Writing/Speaking: B1

COMMUNICATION AND INTERPERSONAL SKILLS

Written and verbal communication | Presentation and negotiation | Teamwork and problem-solving | Active listening and creative writing | Cross-functional collaboration in team projects | Time management and meeting deadlines under pressure | Adaptability to new tools and technologies | Client/stakeholder communication (documentation, requirement gathering) | Conflict resolution and constructive feedback handling
